

# Leadership

BY ESHSDE Arlene Lenarz

This company needs *leaders*, more *leaders* like you,  
Who use their influence at the right times for the right reasons;  
Who take a greater share of the blame and a smaller share of the credit;  
Who *lead* themselves successfully before attempting to *lead* others;  
Who continue to search for the best answer, not the easiest one;  
Who add value to the people and organization they *lead*;  
Who work for the benefit of others and not only for personal gain;  
Who handle themselves with their heads and handle others with their hearts;  
Who know the way, go the way, and show the way;  
Who *inspire* and *motivate* rather than intimidate and manipulate;  
Who live with people to know their problems and live with God to solve them;  
Who realize their dispositions are more important than their positions;  
Who mold opinions instead of following opinion polls,  
Who understand that an institution, a company, is the reflection of their character;  
Who never place themselves above others except in carrying responsibilities;  
Who will be as *honest* in small things as in great things;  
Who discipline themselves so they will not be disciplined by others;  
Who encounter setbacks and turn them into *comebacks*;  
Who follow a moral compass that points in the right direction  
regardless of the trends.
